

# COLIBRI

Functional travel hammock made of breathable, extremely lightweight parachute silk (nylon trilobal). The integrated fixing solution EASY ADJUST facilitates quick suspension and demounting.

**Tip:** This hammock can be turned into a blanket or put up as a sun shield. It's only a matter of seconds!

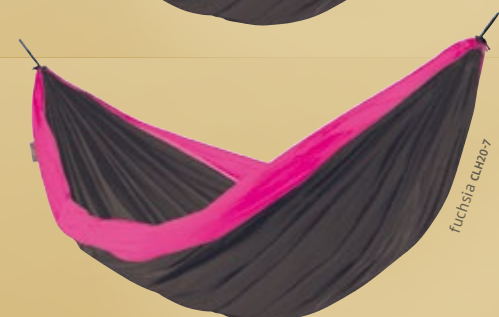

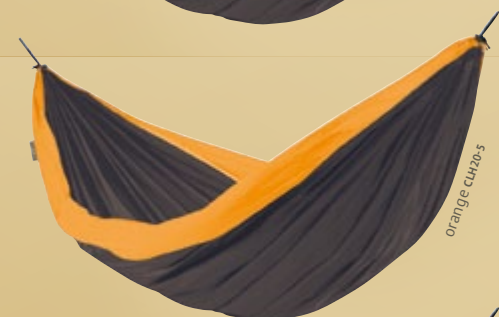

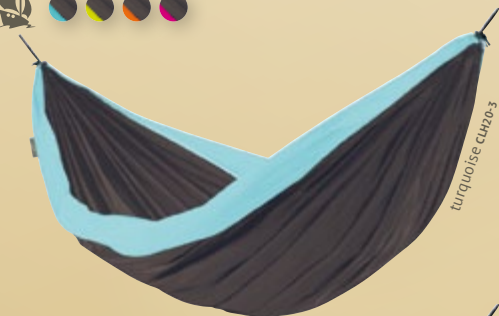

**EASY-ADJUST:** Includes 2 polyester ropes (à 3 m) and 2 ultralight and UV-resistant hooks (glass fiber reinforced polyamide).
