Made in China

**Great adventure,  
tiny luggage!**  
Rucksackina weighs  
only 300 g and is the  
perfect hammock for  
your next trip.  
Packed, this hammock  
is tiny. **But it is unpacked  
that it shows its real  
potential!**

## *The Original Parachute Hammock Made in Utopia for Dreamers Worldwide*

**Ticket To The Moon** products are handcrafted in a tiny hammock factory on the wonderful island of Bali. These travel hammocks have been designed by and made for people who love the outdoors! La Siesta took up the exclusive European marketing rights for **Ticket to the Moon** products at the end of 2007.

We will gladly mail you your copy of the catalogue today!
